CHAMBER OPTS TO RUN MINDEN BOOTH

**FACES
POSSIBLE
\$5,000 LOSS**

—HISTORIC UNVEILING—

A Haliburton Highlands Chamber of Commerce decision last week to operate the Minden Information booth on Highway 35 this summer could cost the Chamber some \$5,000 in funds.

Chamber members learned that under its agreement with Haliburton County a possible grant of some \$5,000 from the Ministry of Industry and Tourism would have to revert to the County if the Chamber did in fact run the Minden information booth. Stanhope Reeve Sinc Nesbitt told the meeting that the County had agreed to grant the Chamber \$12,000 this year providing the Chamber did not run the booth.

With Haliburton, Cardiff and Dorset each operating their own booths it had been anticipated at that time that Anson, Hinton and Minden would assume the operation of the Minden booth, the Meeting was told. However, the booth has remained closed to date after the townships, the Chamber and county council were unable to reach agreement.

With almost unanimous agreement among the members present, the meeting decided the need for the booth must override the threatened loss of funds and voted to operate it again this year.

The meeting also endorsed a one-year increase in membership dues of 40 per cent.

DOUG HARDY

MORE THAN 100 PERSONS WERE ON HAND SUNDAY AFTERNOON FOR THE UNVEILING OF A MEMORIAL PLAQUE AND ONTARIO HISTORIC SITE MARKER AT ST. PAUL'S ANGLICAN CHURCH, MINDEN. OFFICIATING WAS THE MOST REVEREND EDWARD SCOTT, D.D.,

PRIMATE OF THE ANGLICAN CHURCH OF CANADA, TOGETHER WITH REV. ANDREW S. HUTCHISON, INCUMBENT OF THE PARISH OF MINDEN. THE PLAQUE COMMEMORATES THE 110TH YEAR OF CONTINUOUS ANGLICAN MINISTRY IN MINDEN.

Guide news

Minden Guides, Brownies and Cubs marched in the Centennial Parade and attended the open air service in the fairgrounds on Sun. June 2nd. The Brownies and Guides were lead by Miss Sandy Freeman, Mrs. R. Freeman, Dis. Comm., Mrs. Elaine Blakey and Mrs. Angie McCloskey. The Cubs were lead by Mr. Don Blakey. A successful Mother and Daughter Guide banquet was held on June 3rd at St. Paul's parish hall. The girls welcomed their mothers and pinned a spray of flowers on them. A delicious pot luck supper proves that there should be some Guide Cook's Badges forthcoming if the Guides learn to cook as well as their mothers. Many badges and awards were presented by Mrs. Angie McCloskey, Captain and her Lieutenant, Mrs. Elaine Blakey. District Commissioner Mrs. R. Freeman received

a Guide Charm bracelet from 2nd Minden Guides. Mrs. Freeman addressed the mothers briefly asking for their support in the fall when Minden will AGAIN try to form a local association. We can't do it without you, Mothers! Mrs. Joan Pearson of Minden Cub Pack presented the 2nd Minden company with 2 flag carriers in thanks for their help at the Cub Banquet. There are also some budding actresses in 2nd Minden company as was evident by the various skits put on to entertain the mothers.

A penny sale provided much amusement and some novel prizes to lucky Guides and mothers, and the receipts from the sale will go to company funds. The evening was closed by all repeating the Guide prayer.

Fatal car crash

A 17-year-old Dwight, Ontario driver, Norman Buckley was killed a week ago when the car he was driving ran off Highway 60 one mile east of the Haliburton-Muskoka boundary.

According to investigating officers the Buckley vehicle was westbound at the time and apparently crossed into the eastbound lane, onto the south shoulder of the highway and into the ditch where it struck a telephone pole. Damage was estimated at \$2,500.

Buckley was alone in the car at the time. Attending coroner was Dr. George Harpur of Huntsville. Provincial Constable K.M. Legge was the investigating officer.

Elementary schools' field day

On Wednesday, June 12th, the Haliburton County Elementary Schools held their Field Day at the High School. The cool, windy day seemed to bring out the best in the young competitors. The meet this year was broken down into two divisions - A Schools (Haliburton Highlands Senior Elementary and Archie Stouffer School, Minden) and B Schools (Dorset and Cardiff Elementary). In fact, therefore, two meets were run on the same day.

The events included the one hundred, two hundred, four hundred, eight hundred and fifteen hundred meter races, relay races, long jump, triple jump, shot put, ball throw

and high jump. Five points were awarded for a first place finish, three for a second, two for a third and one for a fourth. The events ran smoothly and slightly ahead of schedule, thanks to the efficiency of the teachers who ran the events and did the scoring.

This year the A School trophy was won by Haliburton who defeated Minden 284 - 165. Cardiff won the B School trophy with a score of 193 - 141.

Individual trophy winners in the A division were: Junior Girls - Marie Collis (Minden) Senior Girls - Henni Van Lieshout (Haliburton)

Mary
Fenwick Finch Campaigns
See FINCH p. 17

Junior Boys - Ed Roberts (Haliburton)
Senior Boys - Rick Riel (Haliburton)

In the B division the winners were:
Junior Girls (Nancy Millar (Cardiff)

Senior Girls-Barbara Hogan (Cardiff)
Junior Boys - Tony Gillick (Cardiff)
Senior Boys - Ted Speers (Dorset)

It was a satisfying day for both students and teachers as these young athletes gave their best performances and deserve congratulations for their effort.

HERE and THERE with NORM MAIDENS

Over the past weekend I drove out to Howland Jct. to have a little visit with Fenwick Finch.

Fenwick was sitting in the lounge of the Howland Hilton along with another fellow who turned out to be Chester Snively. I wasn't too sure how pleasant the visit would be but Snively spoke up--'I hope you and Bill Foote aren't too upset about my letter but you fellows got to expect this--that's what us readers is for, to keep you on your toes.' 'Think nothing of it Chester,' I said, 'keep your comments rolling in and maybe it'll keep us on our toes.'

Turning to Fenwick I said, 'The reason I'm here is about that complaint you had about getting stuck on your drugs--unfortunately, there's more to this generic drug story than I can give you off the top of my head--hold on until I get a chance to do a little homework on it, then, within the next week or so I may be able to explain things better to you.'

'What happened your column last week?' queried Fenwick--'I couldn't make head nor tail of it.'

'The 'type gremlins' must have had a field day--but hopefully they will be under control this week.'

'It's a good thing you came out,' sez Fenwick, 'Cause I got a little problem agin' here with my running in the Federal Election.'

'Now look,' I interrupted, 'I don't care to get involved in any political problems and get suckered in to giving you any free backing.'

'Tain' what I had in mind,' he groused, 'You see what's happening them three big parties is atryin' to make it hard for me to git Howland Jct. declared a new riding--they're afeerd of what might happen. On Sunday I went into Minden and attended the unveiling of that there plaque to St. Paul's Church--while there I talked to Bill Scott and he wanted to know if I had filed my papers down to the returning officer. I said I hadn't and Bill sez I should do 'er and he offered to do everything he could to get me under way. He didn't seem to be a danged bit afeerd of me runnin' agin him--but then, he's a tough man to shave--he's bin adoin' such a good job that, if I can't get agoin' myself I just may throw my weight in behind him. They is so much government red tape that it looks like by the time I get through it all I ain't agoin' to have a chance to run.'

'While there I gotta chance to talk to Glen Hodgson our M.P.P. and he promised to do what he could for me. He's pretty secure hisself but I warned him that if I couldn't get to run against Bill Scott the next man on my list was him--they ain't too much problem agittin' into political problems at the Provincial level. You know something? He didn't seem to be a danged bit worried.'

'While I was atalkin' to Glen he tells me he has some information about the old time Provincial flag which he'll send down to me--seems like he thinks same as Doug Campbell you could use a little instruction on flags. Taking the opportunity to break loose I left the two of them sitting in the lobby and headed back to Lutterworth Pines. I can see now that life is going to be miserable for me until after the election but, we'll see.

I'm afraid the information on the telephone co. from my good friend Lawrence Pritchard will have to wait until Fenwick gets the election out of his system. Fenwick informed me that he was trying to get Mrs. Grace Simmons to be his campaign manager but Grace is so busy with local politics that I don't think she can make it.

Well, that's about all that's going for this week--drive carefully and be around--it will be interesting if Fenwick can get to first base bucking the old and established parties.

I can still use a lot of ideas about stories and plots--any ideas you have, drop them to me in care of the Progress and I'll see what can be done.

See you next week.

THE ARGENTINIAN TRUCKER

(10th in a Series)

At 3.00 a.m., October 25, 1973 Argentine Dionisio Llanca, thirty-five year old truck driver, was found staggering through the railyard at Bahia Blanca, four hundred miles south-west of Buenos Aires. He could not remember his name or what he was doing there, apparently suffering from amnesia. He was placed in the Municipal Hospital at Bahia Blanca. Suffering from severe shock he slept for two days. On awakening he showed a concern for his truck and its load of construction materials. Police were sent to search for it and it was found about nine miles outside of town jacked up at the side of the road. The doctors treating him felt he had had a terrifying experience and decided to give him sodium pentathol. Under pentathol, this is the story he related --

About 10 minutes from home, on a two-day trip to Rio Gallegos, he got a flat tire. Pulling over to the roadside and stopping, he proceeded to jack the truck up. 'The road was completely deserted', Llanca recalled. 'All at once the road was illuminated with an intense yellow light that seemed to be about a mile and one-quarter distant', presumably the light of an oncoming car. 'A few seconds passed and I had my shoulder to the light but it became so bright that it lighted the whole area. Now the light had changed to a bluish colour similar to an electric arc welder. I tried to get up but could not rise. I had no strength and a strange thing--my legs would not respond.' Llanca said he then saw, 'a great thing in the form of a plate suspended in the air at some twenty feet altitude and three persons at my shoulder looking at me. I tried once more to get up but could not, the paralysis became total and I could not even talk.' Llanca said the three beings, two men and a woman, stood looking at him for five minutes. The woman was between the two men, 'I believed it was a woman because of the form of the breast and the long hair, blonde, reaching to the middle of her shoulders.' He said the men were also blond with shorter hair in back. They wore single piece coverall suits well-fitted to the figure, yellow boots and long gloves reaching to the middle of the arm. They appeared to carry no weapons. 'Their faces were like ours except for high foreheads and elongated eyes. They talked among themselves in a language impossible for me to understand. They took from me my lighter, wristwatch and metal cigarette case, which were kept.'

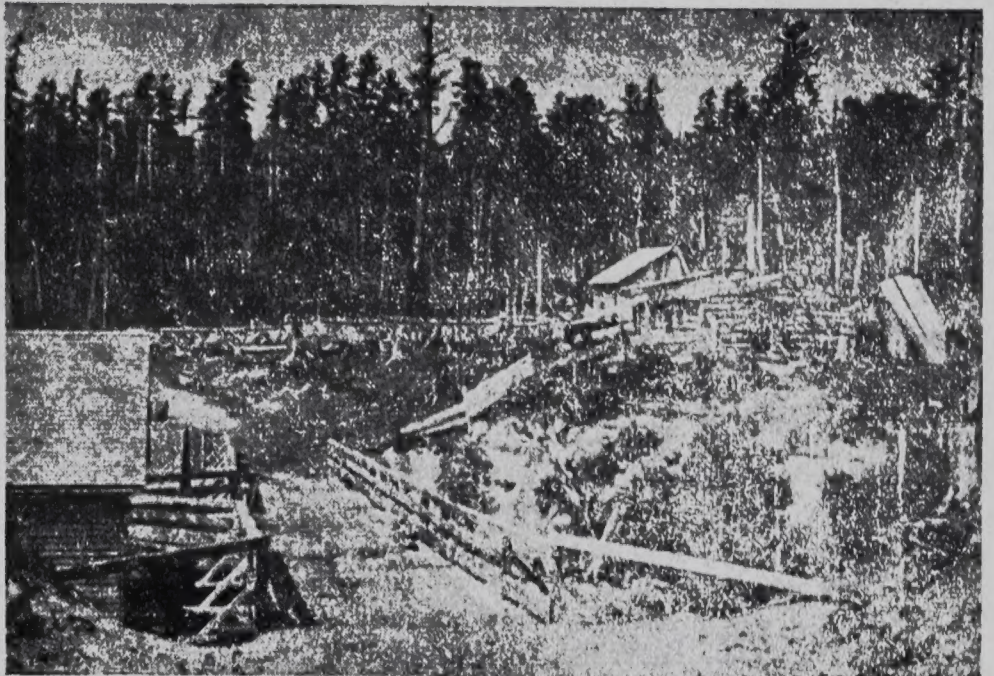

One of the beings grabbed him by the neck of his sweater and lifted him off the ground. 'I tried to talk but my voice would not come out.' One of the other beings applied a razor-like device with a tube to the base of his index finger on his left hand withdrawing blood. Llanca then passed out.

In weeks following as medical treatment continued, he expanded his strange story. He could remember being taken aboard the flying saucer and detained for about one and one-half hours. (This incident took place at 1.15 a.m. and this accounts for the time lapse between his starting to change the tire and being found wandering in the railyard.) He also claimed the space ship connected a hose-like wire to high tension lines and another

to a small lagoon, apparently to take on electric power. A Buenos Aires newspaper, La Nacion, quoted a local electric power company as reporting a sharp unexplained rise in power consumption at this time. Llanca could also remember the voices of the aliens as a humming sound made intelligible by a loud speaker, saying the earth would suffer grave events in the future. They told him they had been trying since 1960 to determine whether man could survive in their galaxy if earth were destroyed. Psychiatrist, Eduardo Mato, who treated Llanca said, 'I have few doubts; he is telling the truth.'

This incident occurred only seventeen days after Pascagoula and again there is no physical evidence of an encounter, only the testimonial evidence of the person involved.

NEXT WEEK: AN ENCOUNTER OF SEDUCTION

HALIBURTON - 1864

You Can Lose 10 Pounds a Year by Walking Extra Mile a Day, Says AMA

You can easily lose 10 pounds in a year simply by walking an extra mile a day at a brisk pace, says the American Medical Assn.

The extra mile means just that — a mile of walking in addition to the customary walking you now do each day. Just an extra mile a day for 365 days will enable you to shed one pound, and in a year this would add up to 10 pounds, the AMA said.

The extra exercise will also be good for fitness as well as fatness, the AMA added.

However, it warned that the extra miles will do you no good unless your food and calorie intake remain unchanged.

In other words, if you eat more because you walk more, you aren't going anywhere.

PUBLIC MEETING

WEDNESDAY, JUNE 26, 1974

Minden Community Centre

9:00 A.M. TO 12:00 P.M.

ALL BUSINESSMEN AND INTERESTED PERSONS IN THE WESTERN PART OF HALIBURTON COUNTY ARE INVITED TO AN INFORMAL PUBLIC MEETING AT THE MINDEN COMMUNITY CENTRE.

THE PURPOSE OF THE MEETING IS TO DISCUSS THE ECONOMIC AND SOCIAL DEVELOPMENT OF THIS PART OF HALIBURTON COUNTY AND THE FUTURE WE MAY FACE.

THE THEME OF THE MEETING:

HALIBURTON COUNTY WEST

-GROWTH OR STAGNATION !

EDITORIALY

Harsh words

Over the past few weeks members of Haliburton County Council and, in one instance, Stanhope Council itself, have taken issue with the Haliburton County Board of Education and the administration of its financial affairs.

This has led to rather harsh words, as reported in last week's Progress.

One can sympathize with the plight of the Councillors. The educational bite out of the tax dollar is of major proportions and County Council has absolutely no authority over it.

If Council disagrees with the budget, the most it can do is ask the Board to review it and present it a second time. The Board on the other hand is under no compulsion to alter its budget in any way and, in fact, Council has no alternative, under the law, but to approve it.

This leaves County Council in the position of having to raise the necessary funds for education but without any control over the educational budget. To members of Council this is particularly galling in election year.

Certainly, a much greater degree of co-operation and understanding based on an appreciation of each other's problems would appear to be basic to the relations between these two bodies.

Regardless, name calling and threats will not solve this problem.

Grand evening

Last Friday's Centennial Ball in Minden had to be one of the outstanding events in the County's 100th birthday celebrations this year.

Sponsored by the Townships of Lutterworth, Snowdon, Stanhope and Anson, Hindon and Minden, the Ball featured the 'Aquarius' and a superb buffet by Minden Community Centre caterer Eddie Pergolas. The piece de resistance however, was the presence at the Ball of the Anglican Primate of Canada, Archbishop Edward Scott, in Minden for the weekend to officiate at the 110th anniversary celebration of the Anglican ministry in Minden.

The only sour note to the whole evening was the poor attendance.

An event of this nature should have had an attendance of at least 500-600 persons. However, the 250 from practically every corner of the County who were actually there were the lucky ones; they had a marvellous time.

Congratulations and a vote of thanks to the sponsors of the Ball. It was a grand evening.

LETTERS TO THE EDITOR

The Editor,
Minden Progress,
Minden, Ont.

Dear Sir:

As a member of the County School Board, being so severely criticized in your paper, I voice my thoughts. With so much hot air billowing from council chambers, this surely must be an election year! Often, to ensure re-election, a politician finds a scapegoat on which to direct public attention, so that close scrutiny is not given his actions or past mistakes. Certainly, education fits this picture nicely. It is a costly item in all governmental budgets, and a concern of all taxpayers. And, taxpayers have a right to ask their representatives for explanations. The rights of an individual taxpayer, however, should not be confused with the demands of municipal representatives. No elected representative, whether school trustee or councillor, should be subjected to such verbal abuse and derogatory remarks as have been reported in your paper, without all of the facts being made known, and responsibility placed where it belongs. Then, the taxpayer has an opportunity to judge properly, and if not satisfied, change his representatives at the next election.

Irresponsible remarks, such as those coming from county council, are a deterrent to anyone offering his services to the community. (I will have second thoughts about standing for re-election this year.) Before they become too involved in name-calling, county council should look at its own parasitical inefficiencies, and the burden they place on the local taxpayers - (including me). Perhaps the cure for this verbal diarrhea is for the voters to elect some new representatives to municipal councils, who would sit down with the Board of Education and discuss mutual problems in an intelligent manner - something that has not been tried during my term of office.

Yours truly,

H. Lloyd Johnson
Trustee
Anson, Hindon & Minden.

DOJARS & GOOD SENSE

by WILLIAM J. MARTIN
Special Consultant to
Avco Financial Services

In a recent column, I discussed how "featherfoot" driving can produce substantial increases in gasoline mileage. Now for some tips on turning you into a gas stretcher on the highways.

The experts advise that you should drive as though you had a raw egg under your foot. You'll have to drive a bit slower, and be very careful when it comes to acceleration and braking, in other words.

BIG SPLASH JUST AHEAD

CANCER...A PERSONAL CHALLENGE Professional comments on Norm Maiden's recent series of articles

June 3, 1974

Mr. Norman Maidens,
Box 86,
Minden, Ontario.

Dear Mr. Maidens,

Thank you for the copies of your articles on cancer and the Princess Margaret Hospital. They made enjoyable reading and I am sure will help dispel anxiety that so many of our new patients develop. With kind regards,
Yours sincerely,

P.J. Fitzpatrick, M.B.

May 28, 1974

Mr. Norman Maidens,
c/o Minden Progress,
Minden, Ontario.

Dear Mr. Maidens:

Thank you very much for the copies of your series of articles. I think they should do a great deal to dispel misinformation and unwarranted fears. I am sorry I missed you during your last clinic visit. I still look forward to receiving the other copies of the series. With kind personal regards,
Yours very truly,

Gerald D. Hart, M.D.

May 27, 1974

Dear Norm:

I owe you so many apologies for not writing sooner. We are all so pleased and impressed with your series of articles. They have been Xeroxed and many here have seen them and have hopes that more will. Hope to put them to permanent use - and with your approval. Along with your articles I have an excellent series of cartoons about treatment, also done by a former patient. Plan to compile two books of your series of articles - plus the cartoons. These books will be placed in the 2nd and 3rd floor lounges. Really believe these should be read by anyone going through this experience. I will be excluding from this though the two articles dealing with the Lodge. Feel that those going

through the Lodge experience should react with their own gut feelings - as to their own impression - I don't feel it would be fair to influence them with your very lovely words. Those words though gave us as Nursing staff a real boost. You also helped to clear up for me one issue --to continue doing away with caps, uniforms, etc.--and your statement helped me make up my mind definitely ---Lab coats only---and no caps. Again Norm, just a plain thank you doesn't seem enough. They are great articles, and Mrs. Frankel will be receiving a complete set this week. Please come and have a coffee with us when next in Toronto - would love to have time for some conversation with you. My sincere best wishes,

Pat Walker.

Please!
Only you
can prevent
forest fires

CENTENNIAL CORNER

JUNE 18, 1974

saw the first meeting of County Council of the Provisional County of Haliburton which was named after the first chairman of the Board of Directors of the Canada Land and Emigration Company, Judge Thomas Chandler Haliburton.

Six Reeves attended that first meeting in the Town Hall, Minden:

A. Niven, Esq. of the United Townships of Dysart, Dudley, Harcourt, Gullford, Harburn and Brunton
James Langton, Esq. of the Township of Minden
William Hartle, Esq. of the United Townships of Lutterworth, Anson and Hindon
Philip Harding, Esq. of the United Townships of Glamorgan, Monmouth and Cardiff
John R. Calvert, Esq. of Snowden
and
Joseph Beatty, Esq. of Stanhope.

They elected Alexander Niven to be Warden for that year, and proceeded with By-law Number 1 to appoint S.S. Peck as County Clerk and Treasurer.

Lands in the Townships of Snowden, Minden, Dysart, Lutterworth and Anson were equalized at \$2.50 an acre; lands in the Township of Stanhope at \$1.00 an acre; and lands in the Townships of Glamorgan, Monmouth, Cardiff, Dudley, Harcourt, Gullford, Harburn, Bruton and Hindon at \$1.00 an acre.

Other matters of particular importance dealt with at that first meeting were consideration of applications for the office of Public School Inspector and a by-law for appointing sub-Treasurers of School monies.

In June 1974 equalized assessment and school monies are still of prime concern.

COMING CENTENNIAL EVENTS: Tuesday, June 25th, all Senior County Residents aged 70 and over and their spouses, will be honored by an Over 70's Dinner at the Hyland Crest Senior Citizens' Home, Minden.

HALL'S LAKE NEWS

by Doreen Stinson

Mr. and Mrs. Allan Campbell have purchased Mrs. Duern's two cottages on Hall's Lake and are presently renovating the larger one. Old Timer's will remember the large white cottage as 'The Carey Cottage' as it was one of the first Summer Homes around the Lake.

Mr. and Mrs. John Nixon of Erin, Ontario, visited Mr. Nixon's sister, Jean Wheeler, for a few days last week on Kushog Lake.

Mr. and Mrs. Dick Cline and their family were at their Boshkung Lake cottage last week-end. They are from Preston.

The Jennings are having the Tidey cottage converted into a permanent home and what a difference it makes with new windows and siding and all the other improvements! We miss Mr. John Consack on the Jackett Cleaner's truck. He was always so regular and obliging in his pick-ups, but we wish him well in his new work with the Municipality of Dysart.

Miss Bonnie Stinson drove home for the week-end from Mount Forest. She is continuing her last semester at Mohawk College in Hamilton as well as continuing to work on the Confederate Newspaper, and will be graduating at the end of the summer.

It was indeed an honour and a privilege to have had the Most Reverend Edward Scott, Primate of the Anglican Church of Canada, as a guest, with the Reverend Andrew Hutchison for breakfast Saturday morning. We also attended the 9.15 service at St. Peter's, Maple Lake Sunday morning, and enjoyed this great man's simple and even humble manner of speaking and his delightful message of neighbourly love.

Mrs. Wilkinson served a delightful dinner on Sunday with guests Mrs. Agnes Elstone, Public Health Nurse, Mr. Hart, Mrs. M. Brown and Len and Doreen Stinson. Following dinner a few hours of pleasant conversation were enjoyed.

It would seem that the wind blows stronger and children are more destructive here at the Lake than anywhere else. Our Voters' List is not fastened to a pole or a tree on on the Club House door where everyone can see it at any hour of the day or night. Many complaints are being heard about this daily and the proper officials have been contacted so that in future this polling area will be handled by himself. For a man over 70 he is most remarkable. He will be attending the World's Fair in Spokane, Wash. as well.

Mr. and Mrs. Peter Preston from Brantford are back at their lovely cottage on 'The Island' for another season. Mrs. Preston has been ailing with a severe back problem but is feeling somewhat better at present.

We hope everyone is keeping in mind the Gay Nineties' Night at Hyland Crest on July 4th--The Auxiliary members are enthused about their project which is 'The Country Store'. Period costumes are being worn and a good assortment of food is being arranged by the men and women on the Auxiliary.

Mr. and Mrs. Hugh Sutherland and daughter Anne and their cousin from Scotland paid us a visit last week, from Burlington.

Miss Muriel Edwards and her brother, Mr. William Edwards of Toronto are back at their Summer Home, the charming old Harrison farmhouse on the west side of Boshkung Lake. They have a lovely garden and keep their lawns and trees just beautiful. The big homey screened front porch is a perfect place to enjoy a hot Summer's day. We did enjoy the many lovely bouquets of daffodils and the tender asparagus from their garden.

Mr. Clarence Brooks reports that his garden is progressing nicely and already they have eaten radishes and onions freshly picked.

Mrs. Elsie Bursey's sister and husband, Mr. and Mrs. Joseph Furst will be arriving from Australia for a Summer visit. Mrs. Bursey intends to start her vacation by travelling to the West coast to meet them and accompany them back to Hall's Lake.

MR. FOGG'S

COUNCIL MEETS

May 15

County Council assembled in the Council Chambers at 10.00 a.m., Wednesday, May 15th, 1974 with Warden M. Fearrey in the chair and all members in attendance. The Warden acknowledged absence of J. M. Howarth of the Improvement District of Bicroft; D. Perrott of Anson, Hindon and Minden; G. Agnew and K. Tallman of Monmouth because of family or personal illness; and R. Vick of Snowdon delayed.

THAT the minutes of the meeting of April 17, 1974 be approved as circulated. Carried.

In business arising from previous minutes the Warden drew attention to the books circulated to all members of Council outlining new guidelines and policies regarding the restructuring of government which would have considerable bearing on plans under discussion.

Finance Chairman R. Booth reported accounts to be in order.

THAT payment be approved of accounts, as listed and circulated, in the amount of \$41,767.22, comprising cheques numbered 184 to 230 inclusive. Carried.

The following correspondence was read by the Clerk: Township of Anson, Hindon and Minden outlining policy statement passed by that Council re. information booth. Canada Week Committee: re. proclamation of Canada Week June 24th to July 1st. Association of Counties & Regions of Ontario - re. workshop on

The Challenges of Restructuring Local Government to be held in Lindsay June 10th. Township of Stanhope resolution re. Haliburton Board of Education. The remainder of the correspondence was listed and circulated to all members.

THAT Council hold their June meeting on June 10th. Carried.

BE IT RESOLVED THAT the County approve Canada Week, June 24th to July 1st, and that a proclamation be placed in the newspapers to further this cause. Carried.

Reeve S. G. Nesbitt read a letter of explanation from the Township of Stanhope relative to their position under the present equalization factor with disproportionate school levy burden.

BE IT RESOLVED THAT the County strongly protest the discontinuation of Parks Assistance Grants to parks already approved and in operation because this will place an unfair burden on the parks in progress - further that a letter stating our position be forwarded to the Honourable John White, Minister of Treasury, Economics and Intergovernmental Affairs; to Honourable Leo Bernier, H. J. Christian, and Glen Hodgson, M.P.P. Carried.

Mr. Vic Hewson, Regional Assessment Commissioner attended Council as requested at 11.00 a.m. and outlined the reassessment programme expected to be completed in 1976 for 1977 taxation. Mr. Hewson also answered questions and

discussed problems of equitable assessment and equalization factors applicable to this County.

Mr. Larry Perrott, Secretary-Manager of Haliburton Highlands Chamber of Commerce reported on plans for Haliburton County Day at Ontario Place May 25th, and the generous contributions from the Wilberforce Firemen, Minden Rotary Club, Haliburton Rotary Club, Kinsmen Club, Board of Education, Haliburton Legion, and Ladies' Auxiliary of the Haliburton Legion to make these arrangements possible.

Warden Murray Fearrey called a Noon Recess at 12.05 p.m. Council reassembled at 2.00 p.m. R. Vick in attendance.

Mr. Louis M. Hodgson reported to County Council on the recent meeting of the Haliburton County Economic Development Commission outlining their concerns and recommendations. The Commission was commended for the active studies planned, and Mr. R. Booth recommended a vote of confidence.

Mrs. Shirley Brandon, convenor of the first Centennial Ball addressed Council on behalf of the Municipalities of Lutterworth, Snowdon, Stanhope, and Anson, Hindon & Minden, requesting permission for all Municipal clerks in the County to sell tickets for the Centennial Ball being held in the Minden Community Centre on June 14th. All members of council

concurred.

County Engineer D. Jack Cox presented the County Road Report on behalf of the Committee, and explained the by-laws being submitted to Council.

WHEREAS we feel the suggested design for the intersection of Highway 121 and Highway 35 North of Minden that is proposed by the County Engineer is much better than the intersection design proposed by the Design Office in North Bay; and WHEREAS we have been informed by the Design Office in North Bay that they are going ahead with their design; THEREFORE we request Glen Hodgson to arrange a meeting with the appropriate Senior Highway Official in Downsview for the County Engineer, Warden, and Chairman of the Road Committee to discuss the matter of the design of the intersection of Highway 121 and Highway 35 North of Minden. Carried.

WHEREAS we understand that the District of Muskoka will only be reconstructing the sections of Muskoka Road #1 to tolerable standards; and whereas a large portion of Muskoka Road #1 and all County Road #1 have been constructed to design standards; THEREFORE we feel this well create a dangerous condition and hazard for the motorist who will expect the same standard of road throughout the entire length of the road from Highway #11 to Highway #35;

THEREFORE we request the Ministry of Transportation and Communications not to approve a lesser standard for Muskoka Road #1 than that which has already been constructed; and that this resolution be sent directly to the Minister with a copy to the Deputy Minister and Mr. Glen Hodgson. Carried.

That By-law 906, having been read a first time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of designating all County Roads within the Corporation of the Provisional County of Haliburton as through Highways. Carried.

THAT By-law 907 having been read a first time, be considered read a Second and Third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of authorizing expropriation of property for road widening purposes on a County Road. Carried.

THAT By-law 908, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to prescribe a rate of speed for motor vehicles on certain County Roads. Carried.

THAT By-law 909, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a

by-law to close a portion of the original road allowance between Lot 7, Concessions 2 and 3, for the Township of Stanhope. Carried.

The Warden declared a ten-minute discussion break.

BE IT RESOLVED THAT County Council support the County Board of Education to have the mill rate subsidy and the necessary grants increased by the Ministry of Education. Carried.

THAT the County Council ask the Ministry responsible for setting the equalized factor within the County of Haliburton to immediately investigate a proper and updated factor to be used to give a fair and equitable tax base for each municipality.

Mr. Roy Brohm reported on the County Library.

The May session of County Council was adjourned at 4.30 p.m.

AND

June 10

County Council assembled at the Armouries in Lindsay at 9.30 a.m. Monday, June 10, 1974, for the purpose of attending a Workshop Programme on 'The Challenges of Restructuring Local Government' sponsored by the Association of Counties & Regions of Ontario and the Ontario Association of Rural Municipalities. All members of Council were in attendance with the exception of Mr. M. McGillivray. The Workshop Programme adjourned at 4.00 pm. All members of County Council in attendance at the Workshop reassembled in the Council Chambers, Minden, at 7.00 pm., June 10, 1974.

Warden Murray Fearrey called the meeting to order for routine business of the County.

RESOLUTION NO. 89/74

That the minutes of the meeting of May 15th be approved as circulated. Carried.

Finance Chairman Reginald Booth reported on finances examined by that committee. RESOLUTION NO. 90/74 That payment of accounts be approved in the amount of \$4,721.47, representing cheques numbered 231,231A, 2 to 272 inclusive. Carried.

The Clerk referred to correspondence as listed, and read letters from: Township of Pittsburgh with

resolution requesting provincial amendment to increase the penalty percentage of interest for default of taxes.

-Kawartha Haliburton Children's Aid Society in reply to a previous query requesting amendment to the Child Welfare Act relative to proportionate costs.

A majority of members were in favour of County Council concurring with the resolution presented by the Township of Pittsburgh. The Clerk was requested to arrange for representation from the Kawartha Haliburton Children's Aid Society at the September meeting to discuss allocation of charges.

RESOLUTION NO. 91/74 That the report of the Correspondence Committee be accepted as presented. Carried.

RESOLUTION NO. 92/74 That By-law No. 905, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to adopt Parts 1 and 4 as shown on Reference Plan 19R495 as part of the County Road System in the Provisional County of Haliburton. Carried.

RESOLUTION NO. 93/74 That By-law No. 910, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to enter into an agree-

ment for the design of the Ingoldsby Bridge.

Carried. Property Chairman Lloyd Walker reported on repairs and maintenance presently required for the Registry and County Office Bldgs.

Centennial Chairman Gary Agnew reported on the success of the Haliburton County Centennial Day at Ontario Place May 25th and commended the efforts of Master of Ceremonies Art Ward and of the Secretary-Manager of the Haliburton Highlands Chamber of Commerce, Larry Perrott. Mr. Agnew also reminded members of other forthcoming Centennial events.

Hyland Crest Committee of Management Chairman, James Harrison, reported on operation of the Hyland Crest Senior Citizens' Home and the June 25th Dinner at Hyland Crest for County residents over 70 years of age and their spouses. Wolf Study Chairman R. Booth reported that his Committee was presently awaiting documentary proof being supplied by the Ministry.

RESOLUTION NO. 94/74 That County Council ask the Minister of Education to propose a bill to the legislature suggesting the Boards of Education of Ontario raise their own monies through taxation to operate the Educational System. Carried.

RESOLUTION NO. 95/74 Be It Resolved That a re-

quest be made for Provincial budget year end be changed to December 31st and a letter be circulated to other municipalities for their feelings. Carried.

The Warden called a ten-minute discussion break at 7.50 pm.

Council reassembled at 8.00 pm. with Mrs. Heather Gar-

diner, County Librarian, in attendance to discuss additional space required by the County Library.

RESOLUTION NO. 96/74 That the County Council concur with a proposal of the County Library Board by Librarian Heather Gardiner this proposal would be a five year lease with the Municipality of Dysart, a prepayment of 1974 grants \$6,000, and a monthly rent

payment of \$65 for the term of the five-year lease, with option to renew for a further five year period. Carried.

The June County Council session adjourned at 9.05 pm

I'd Prefer to Be Just a Housewife, Says Recording Star Loretta Lynn

Recording star Loretta Lynn owns an entire town, a production company, a rodeo and she's a millionaire. But she declares: "I'd much rather be a plain housewife staying home and taking proper care of my family."

"I'm on the road all but a couple of weeks out of the year. I miss my six kids so much I can hardly stand it sometimes."

At the age of 36, the pretty brunette is America's top female country and western singer. "I've been a performer since 1961," she says. "I'm one of the few singers in America who never made a single record that wasn't a hit."

"They tell me I'm rich, but it doesn't do me much good. In 1963 when they told me I sold more records than any other country and western

singer in America, I went out and bought myself a color TV."

"Well, I still haven't had a chance to sit down and watch a program on that set."

The former laundress and strawberry picker from Butcher Hollow, Ky., married O.V. "Mooney" Lynn, an auto mechanic, when she was only 13.

Today she owns all the sleepy Tennessee town of Hurricane Mills (pop. 800) and lives there when she's not on the road.

"I never expected to leave Butcher Hollow," she now says. "Mooney got the idea of me becoming a singer when he heard me singing the kids to sleep. He went out and got me a job singing at a local farmers' meeting for \$5 a night."

"Today I'd quit in a minute if I could, but I have contracts that'll probably keep me working for the rest of my life."

NASSAU

Nassau's newest craze safe and pleasant sport

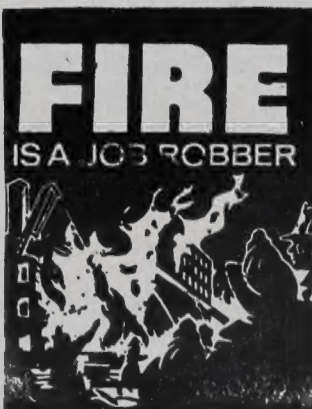

NASSAU, Bahamas—Hurry, hurry, folks and step right this way. It's exciting, daring and different—but absolutely safe.

It's parasailing, the latest craze in water sports in Nassau, capital city of the Bahamas.

The parasail consists of a nylon parachute specially designed to give lift rather than simply collect air. On a large platform near the shore, the parasailer is strapped into a

seat harness and attached by a 200-foot line to a ski boat. When the boat accelerates the parasail lifts you high into the sky—as much as 150 feet—for a truly different experience.

As the boat slows the parasailer loses altitude slowly and is gently deposited back onto the platform. There is no skill required and no age limit. Everyone from children to little old ladies visiting Nassau have tried this safe and pleasant water sport.

S S F C

Employment Record

Employment among Sir Sandford Fleming College graduates of full-time programs in business, general and applied arts and technical fields is at a record 70 per cent, and College officials predict the final placement rate may be over 95 per

cent by September. Doug Kirk, chairman of student and personnel service at Sir Sandford, said the current rate is up about 10 per cent over this time last year, and that business graduates are showing the highest success with over

80 per cent employment. Mr. Kirk said exact figures are not yet available for the College's natural resources division in Lindsay, but added there are indications that the graduates there also have had unusually high employment success.

Beatlemania — Second Time Around

It is just 10 years since Beatlemania burst upon the world of showbusiness with a force that is likely never to be seen again. Many groups followed them

LIVERPOOL - THE SOUNDS OF THE BEATLES

from England, the United States and Canada, but few excepting The Rolling Stones, Herman's Hermits and perhaps the Dave Clark Five came up with a sound original enough to make a solid, lasting impact on the world of pop music.

So if you can't beat them, the best bet is to join them, as four young musicians and singers from Ontario have done.

Taking the name Liverpool from the mop-haired foursome's home city in England, the Ontario quartet re-creates the sounds and times and music of the 1964 to 1968 era of Beatle glory.

They even dress, in one set, in Sgt. Pepper's Band outfits, and every number they do, is a Beatle song.

If this sounds monotonous, you should remember that there are more than 150 Beatle hits to chose from, and that is far more than most groups have in their repertoire.

The sounds created by the Ontario group are the sounds of the Beatles, and audiences are finding this flashback to a great era is one not to be missed.

Liverpool is on a one-night stand tour of colleges with restricted audiences, but they can be seen at a public appearance in the Minden Community Centre Friday, June 28.

If you like nostalgia presented in very acceptable style, don't miss Liverpool.

TODAY'S HEALTH

There are many ways to cope with your anxieties

by David Woods

Anxiety, psychiatrists say, is a response to stress. Its more obvious signs are sweating, shaking, a pounding heartbeat or a dry mouth. But it can also come disguised as pain or physical exhaustion.

Anxiety can even show up unconsciously: Abe Lincoln is said to have dreamed vividly of the circumstances of his assassination.

If anxiety can be defined as a state of apprehension or uneasiness, it's obvious that most of us suffer from it from time to time. Getting anxious before taking an exam or giving a speech is quite natural, and may even serve to key us up quite appropriately for the occasion.

There are other, less obvious forms. For example, some people suffer from seemingly irrational fears of certain places or objects. These fears may sometimes be subconsciously associated with some childhood experience. This type of anxiety usually needs professional psychiatric help in tracing the root of the problem and dealing with it.

Job problems, money difficulties, personal relationships and sexual performance can all trigger anxiety.

In certain forms of transient anxiety, says psychiatrist Dr. John Armstrong of Toronto's North York General Hospital, alcohol or the minor tranquilizers may do some good. The problem, however,

is that it's too easy to become reliant on either — and then they may become a problem as well.

There's some agreement in medical circles that one of the best ways to cope with anxiety is communication. Find someone to talk to about the problem, someone you feel at ease with and whom you trust. That person doesn't necessarily have to be a doctor. It might be a good friend, a social worker, teacher or clergyman.

By the same token, some forms of anxiety can be prevented by social interaction, by taking part in group activities, says Dr. Armstrong. But he emphasizes that the 'joining' process should be enjoyable. No sense in opting for the local tennis club if you don't like sports, or latching on to a political group if you can't stand politics.

In general, people in good physical health are less prone to anxiety states. So another preventive measure is to engage in an exercise program. Here again, though, the process should be fun: the tense executive who plays golf to 'relax' won't succeed if he's always keyed up to beat last week's score.

Anxiety is a universal condition that, in many cases, can be alleviated by talking it out — or sweating it out. More serious, continuing forms of anxiety — and especially those for which the cause is unknown — require proper medical advice.

United Church women meet

An executive meeting of the Lindsay Presbyterian United Church Women was held in Fenelon Falls on May 28.

The President Mrs. Roese, Burnt River, welcomed everyone and opened the meeting with a poem. Mrs. G. Stewart of Brechin presented the worship service opening with "Be still and know that I am God."

The theme of the worship was "The use of Time". The scripture was read by four ladies from Matt Chapter 14: 17:6 and Luke 9. The commentary was on the use of time both what we do and don't do. Time is a gift from God. She closed with a story depicting a ladies use of time and prayer.

The Presbyterian date for 1975 will be Jan. 28 in Fenelon Falls and will be based on the 50th anniversary of the United Church. Thanks was to be extended to all who helped to prepare the Indian Display at Conference in Peterborough, especially the Curye Lake and Rama Indians. Mrs. B. Dickson of Oshawa requested that we send letters to our local M.P.'s concerning the Sunday retailing. There will be a Leadership Development Day, sponsored by the Conference in Fenelon Falls on June 10 10 to 3 o'clock. Those attending will be the secretaries of Finance, Social Action and Community Friendship, Stewardship and Program and any other interested person. An invitation is extended to anyone to attend a meeting on Church Union at Marmara on June 13, 10 to 3 o'clock. We are asked again to give at least \$5 from each local U.C.W. to help support a Home for Indian Girls in

Toronto and \$300. will go to buy a typewriter for Norway House. Delegates for the School for Leaders was discussed and anyone attending will be given \$5 for expenses. Sympathy is extended to Mrs. W. Russell and on behalf of Mrs. Russell, who was a Presbyterian officer for six years, a Memorial gift was given to M. and S. in memory of Mr. Russell.

The Literature secretary reported that she had been to Janetville with a book display and had ordered books for the Workshop on June 10. The Supply and Welfare secretary distributed folders of ways and places we can help supply and welfare. Dominion Store tapes can be collected and used for items needed in Victoria Manor and Hillcrest Lodge. It was suggested

that if we wish to learn about abortion we can have a speaker from Right to Life group. Mrs. C. Kanyer of Lindsay can be contacted.

Ladies were asked to volunteer to bring patients to the hospital especially those who live in the north and have no means of transportation. Mrs. D. Wellman reported Dr. Bruce McLeod's address at Conference in Peterborough, which centred on the New Creed. Others reported on themes of other speakers, especially Dr. Edmonds. Delegates to Training Events at Five Oaks may have expenses met by a fund that must be applied for through Presbytery.

It was suggested that our local U.C.W.'s might plan something for the 50th anniversary of the United Church.

A different vacation idea for Canadians can be found in India. Houseboats can be rented on Dal Lake at Srinagar, Kashmir, for as little as \$15.00 per day per couple. This price includes a completely furnished boat, food, maids and cook. Climate in Kashmir during the summer months of June, July and August is ideal.

Houseboat in Kashmir Indian vacation idea

KASHMIR, India — As Canadian travellers become more sophisticated from year to year, many summer vacation ideas seem old hat.

A trip to Europe, the cottage, or camping can actually become commonplace after a while.

The question of how to spend those summer vacation hours in a different manner becomes more perplexing.

India certainly has one answer to the problem, and not an expensive one at that. How about a houseboat in Kashmir for as low as \$15.00 per day per couple? This price includes a completely furnished boat, food, maids and cook! Which is pretty difficult to equal.

And for unbelievably beautiful landscape, Kashmir is hard to beat during June, July and August. This Indian state, slightly smaller than Great

Britain, and with only four million inhabitants, is in the heart of Asia. Few people realize it is further north than Tibet.

The climate in Kashmir during the summer months is ideal. Today, there are a variety of races, national costumes and traditions in Kashmir. For the overworked Canadian, Kashmir can be exactly the right tonic.

The Dal Lake, near the capital city of Srinagar, is a major attraction. This is where the houseboat reigns supreme. The houseboat was invented near the end of the last century because of a Maharajah's edict prohibiting land ownership. So, people took to the water, and brought the houseboat into being.

Today, the houseboat has turned into a haven for tourists. Evening cocktails on the upper deck, with a sunset over the towering Himalayas, is a moment not to be forgotten.

AID KIN PROJECT

Seen above are four Minden area truckers, (left to right) Dan Austen, Lorne Harrison, Sherman Sims and Gerald Walker, together with the trucks they supplied to help the outfield of the new Minden Community Baseball Diamond. A Kinsmen Club of Minden project, the diamond needed topsoil to complete the outfield and the four community-minded truckers donated the use of their vehicles to help haul it. Completion of the project is slated for next Fall.

CRAFTSMANSHIP . QUALITY . ECONOMY

Family property laws affect every one of us.

These are the proposals Ontario is considering to improve them.

Have you ever thought about how much your life is affected by family property law? Probably not. Yet, hardly anything you have goes untouched by these laws — the property you owned before you were married, the property you've acquired since, your home, your joint bank account, your credit, even survivor's rights when your husband or wife dies.

Because family law is so fundamental, several years ago the Ontario Government asked the Ontario Law Reform Commission (OLRC) to consider the relevance of the existing laws to today's needs and to recommend appropriate changes.

The Commission has reported and now the government is interested in learning your reaction to these recommendations.

Should ownership of family property including the family home depend on who actually paid for it? ... or should a system of co-ownership of assets be developed on the basis of marriage as a social and economic partnership?

Should a spouse be entitled to an interest in the property of the marriage even when he or she has been unfair or unfaithful?

How should the wife's non-monetary contribution to the development of the husband's business be recognized?

If a system of co-ownership of property were introduced, should a couple have the option to draw up their own contract or make other arrangements to govern the property of their marriage?

Should the proposed changes apply to existing marriages or only to future marriages?

The Commission did consider other kinds of community property systems including those in which sharing would take place from the time of marriage. As the OLRC proposals now stand, assets acquired during the marriage would be shared only when the marriage ends.

The Commission also recommends that both husband and wife have a duty to support their children, and to support each other, when the other is in need and is unable to work. Do you agree with these proposals? We want to know what you think.

To enable you to learn more about the OLRC proposals, your Ontario Government now offers a concise, easy-to-understand booklet, as well as a film on the subject for group discussions. We invite you to send for the booklet or borrow the film for your group. And, we'd like to know what you think of the OLRC's proposals, as well as other changes you'd like to see in family property law.

After all, the laws are designed to serve you. Write to:

Townships of Anson, Hindon & Minden

Financial Statements

December 31, 1973

AUDITORS' REPORT

To: The Members of Council, Inhabitants and Ratepayers of the Corporation of the Townships of Anson, Hindon & Minden.

We have examined the 1973 financial statements of the Corporation of the Townships of Anson, Hindon and Minden and its local boards, which are listed on the attached Index. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Townships of Anson, Hindon and Minden and its local boards as at December 31, 1973 and the results of their operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

Accumulated net revenue (deficit) and unapplied capital receipts	37,858	62,875
	696,045	681,625

The accompanying notes are an integral part of this financial statement

1. CHARGES FOR NET LONG TERM LIABILITIES

Total charges for the year for net long term liabilities were as follows:

Principal payments including contributions to the debt retirement fund of Ontario Water Resources Commission	\$ 10,626
Interest	32,899
	\$ 43,525

Of the total charges shown above \$25,785 was paid from the revenue of the municipality and is included in expenditure, classified under the appropriate functional headings, and \$17,740 was recovered from the municipal enterprises for which the related net long term liabilities were incurred.

2. BASIS OF CONSOLIDATION

The Consolidated Balance Sheet reflects the assets and liabilities of the revenue fund, the capital fund, and all reserve funds of the municipality. Trust fund assets administered by the municipality amounting to \$10,227 have not been consolidated nor have the assets and liabilities of any local boards of the municipality.

3. NET LONG TERM LIABILITIES

Total long term liabilities incurred by the municipality and outstanding at the end of the year amount to \$589,814

In addition, the municipality has assumed responsibility for the payment of principal and interest charges on certain long term liabilities issued by other municipalities. At the end of the year, the principal amount of the liability is 50,162

On the long term liabilities shown above, the responsibility for payment of principal and interest charges has been assumed by others for a principal amount of (176,000)

The total value of sinking funds and the balance in the debt retirement fund of the Ontario Water Resources Commission which have been accumulated to the end of the year to retire the outstanding long term liabilities included above amount to (38,613)

Net long term liabilities at the end of the year \$425,363

4. CAPITAL OUTLAY TO BE RECOVERED IN FUTURE YEARS

Some capital outlay does not represent a burden on general municipal revenues, as it is to be recovered in future years from other sources. Municipal enterprises \$190,666

5. LIABILITY FOR SICK LEAVE BENEFITS

Under the sick leave benefit plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the municipality's employment.

The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on terminating, amount to \$18,319 at the end of the year. No provision has been made for this liability.

Garden Party

Despite uncooperative weather Saturday afternoon's Old Fashioned Garden Party was a rousing success. Some 150 persons, including many from Hyland Crest, were on hand at St. Paul's Parish Hall for an afternoon of music, dancing and refreshments. Special guest was The Most Reverend Edward Scott, Primate of the Anglican Church of Canada. Shown above are the Barnhart Sisters of Carnarvon, one of the musical groups on hand for the party.

SENIOR SOFTBALL

SENIOR SOFTBALL

Craig Stamp Hot at Plate

On Sunday evening in West Gullford, the Redmen took over second place in the senior standings with an easy 10-2 romp over the Haliburton Huskies. Once again West Gullford went to the long ball to best its opponent. Craig Stamp started things off early for the Redmen, driving his sixth homer of the season, a grand slam, over the right field fence, giving his team a 4-0 first inning lead. Floyd Henry and Darrell Stamp also hit homers for the Redmen in this game, bringing their league leading total to fourteen in eight games.

Wade Stamp (3-1-1) picked up the win with relief help from Craig Stamp, while Mark Schell (3-4) took the loss. This past week was a tough one for the Gull River Builders, as they dropped all the way to third place after leading the senior league since the beginning of the season. A combination of injuries (six) and sloppy play were the main factors in their two straight losses, 9-5 to league leading Dominion Hotel on Monday and a 15-3 pasting at the hands of Haliburton Huskies on Tuesday.

In the Dominion Hotel game, Neil Burk clouted three homers for the Builders but lost on a ninth inning three run homer by Dave Trepanier for Dominion. Jack Snell (4-0-1) picked up the win on eleven hits and struck out six. Tom Lee (3-1) took the loss, his first of the season, allowing seventeen hits, two walks and struck out two.

In Haliburton on Tuesday evening, the Builders took a one lead in the first, however, the Huskies came back with three in the third. Gull River got these back in the fourth to square the game at 3-3. The fifth inning on was all Huskies. They scored five in this inning, one in the sixth, three in the seventh and three more in the eighth to win going away.

Mark Schell (3-3) evened his season's record at three wins and three losses with this win, giving up nine hits, a walk and struck out three. Tommy Lee dropped his second in as many nights, allowing twenty hits and six walks while striking out one.

On Wednesday evening in Minden, the Dominion Hotel Shufflers toyed with Gooderham in winning easily over the inept Gooderham squad 15-4. Coach Jack Snell went with Royce Miller and Dave Dollo on the mound and neither had any trouble disposing of the Gooderham batters. Dave Trepanier hit his fourth homer of the season in the fifth inning, a three run shot, to start the Shufflers on their way to an eight run inning, and a walk away victory. Miller (2-0) picked up the win while Vince Billings suffered his fourth defeat without a win.

Gooderham lost their seventh in a row on Sunday evening in Haliburton, this time 14-2 to the Vasey's Midgets. Ernie Bain went all the way on the mound for Vasey's to pick up his first victory of the season in his first start. Vince Billings took the loss, his fifth in a row.

Kirk Hewitt last week was named Outstanding Athlete of the Haliburton Senior Secondary School. Paul Fleming was second and Roy Boughner third.

Next week I hope to have the top three female students. The writer got a tremendous deal on softball hats the other day. I have fifteen royal blue hats for \$20.00. I also have a couple Big Daddy hats on hand. Any team interested, please call at 286-1318.

There are two or three teams interested in playing in the OASA play-offs this year. These teams must have their affiliations in the OASA office by July 1st.

The Junior fee is \$10.00 and the Intermediate fee is \$20. Would the coaches of these teams kindly get this money to me by Wednesday, June 26th, so I can send it to the OASA Treasurer.

Your team certificates are to be filled out and returned to me by July 17th. They have to be in the OASA Secretary's hands by July 20th. These certificates are available from the writer upon request.

The Minden Billiard Open got under way a couple of weeks ago with twelve players vying for the \$120 in prize money. Doug Heath and Ken Rosenberg are the leaders after two of the ten eighteen hole rounds. Doug has 180, while Ken is one stroke back at 181. Other two round scores are: Cliff Burke 170, Leigh Bull 172, John Hobbs 187 and Tom Boyce 190.

Oversize septic facilities, 7 room furnished home included, 12 block high basement. Good well servicing home and bar.
Call AL HODGINS 286-2381 or 286-1575.

Something Special

This simple cheese bread using imported Holland Edam is delicious, either as an accompaniment to a meal or as a change of pace snack with butter and jam or jelly.

Edam Batter Bread

Home-baked bread is always appealing and not as difficult or time-consuming as you may think. This recipe for cheese bread using imported Holland Edam will win many compliments. Serve it with a meal, or as a surprise snack with butter and a selection of preserves or jelly.

- 2 eggs, slightly beaten
- 4 teaspoons sugar
- 1 envelope active dry yeast
- 1/4 cup lukewarm water
- 3/4 cup scalded milk
- 1 teaspoon salt
- 1/3 cup butter or margarine
- 3 cups all-purpose flour
- 1 cup shredded imported Holland Edam

Dissolve 1 teaspoon sugar in lukewarm water. Sprinkle dry yeast over water; let stand for 10 minutes. Pour hot milk into a large bowl (large mixer

bowl). Stir in remaining sugar, salt and butter. Stir yeast briskly with a fork. Add to lukewarm milk mixture together with eggs, half the flour. Beat in (low speed on mixer). Add shredded Edam and remaining flour. Continue beating until batter shreds from spoon or mixer beaters. Place batter in greased bowl. Cover; let rise until double in bulk, about 1 hour. Beat down dough with a spatula for a few minutes. Turn into a buttered 1 1/2 quart casserole. Cover and let rise until double in bulk (about 45 minutes). Bake in preheated 350° oven for 30-35 minutes.

24th season MONAHAN RETURNS

Earl T. Monahan, Rochester, N.Y. writer and director of public relations for Howard's Express, Inc., is returning to Haliburton County for his 24th consecutive season. He has booked into Hospitality Inn from June 22-July 6, and will be accompanied by his granddaughter Kathy Monahan, age 13, of Irondequoit, N.Y. Kathy, starting her own record, has three straight seasons to her credit. Earl has authored many articles in both U.S. and Canadian publications extolling the merits of the Highlands as a prime vacation region. Last summer while here he completed two articles involving the region which were published in the States and also in the Minden Progress. 'Rock Around the Clock' told about the concerts at the new Minden Community Centre and 'General Store' gave an historical rundown on Robinson's General Store at Dorset.

THEIR WEEK

(Senior Citizens)

This is the week we try,
To recall memories of time gone by,
Visiting the elder members
Whose years are getting more numerous.
What tales they can tell,
That they remember well.
Their place in history is made,
Let's hope we make the grade.
Don't think of them just for a moment,
In this County they gave development,
So take time from your busy days,
Let them tell you about their ways.
They won't be with us, always,
Make this week very gay.
Remember them all during the year,
To one and all, you're very dear.

Jay.

NEWS AND VIEWS

The Haliburton And District Association For The Mentally Retarded

BY ED JOHNSTON

Our first Flowers of Hope Campaign held in this area with its proceeds going to the Workshop for the Mentally Retarded has slipped into history but the response and co-operation in making it a success will not soon be forgotten. Again as publicity chairman, on behalf of our entire executive and the trainees and their supervisor, I wish to thank everyone for what I am sure for many was sacrificial effort to help us reach our objective.

To list the individual donors would be an insurmountable task, and in attempting to do so I am sure I would miss someone and possibly lose a much needed supporter for another year. I have however, prepared a breakdown by areas of the amounts that came in.

These figures are as accurate as I can ascertain at present writing and coincide with the figures in the office of our treasurer, Mr. Gerald Dawson.

If there are minor discrepancies they are not intentional. In the Minden, Haliburton and Wilberforce areas, the work load of the canvas fell on the students of the Haliburton High School, and believe me they accomplished a tremendous effort with very short notice.

In Cardiff, it was students again, under the leadership of Mrs. Steve Ryan and Mrs. Davies, boosting our total in that area. From Tory Hill, Mrs. Gladys Haas and Mrs. R. Anderson turned in a fine effort.

Help from an unexpected source came to light when Mrs. Gladys Haas, of Tory Hill advised us of a Bingo that was held on Sat. June 1, sponsored by the L.O.L. Haliburton Branch.

Prizes at the Bingo were donated by local business firms and for this we say Thank You.

The Lodge donated their hall, their time and with the assistance of Mrs. Haas made the evening a real lucrative one for our association by donating their proceed of \$204.75 directly to our workshop effort.

Now the news you have been waiting for, a breakdown and final total to date of our campaign.

Minden - \$533.00
Haliburton - \$577.29
Tory Hill - \$96.10
Cardiff - \$157.10
Wilberforce - \$105.48
Gooderham - \$91.70
Carnarvon - \$10.90
Wilberforce Legion - \$16.45
Wilberforce Veneer - \$10.00
Minden Rotary Club - \$100.00
Special Donation from Oakville, Ont. - \$125.00

This gives us a present total of \$1823.02. In listing the Clubs and Associations that I have, this does not indicate that these are the only ones that have sent in donations, but they are the only ones that have passed through my hands here and so to all the rest that sent theirs direct to our treasurer, may I include you all in our sincere thanks.

In closing I would remind everyone that our object was \$2000.00 and we are just a wee bit short of that amount so do not feel that it is too late to write or call in if you feel that you can help us put this over the top.

FINCH

Hottest issue of Fenwick Finch's current election campaign in Howland Jct. appears to be the question of votes for dogs.

During the past week a fired-up Fenwick stumped the length and breadth of his riding, all 2-1/2 acres, demanding that Howland Jct.'s two dogs be given the vote. 'Fourteen votes ain't enuff for any ridin'', remarked Finch, who said that 'if them dogs were able to be at me nom inatin' meetin' then they should have the right to vote.' He predicted that, with the dogs' votes, he could beat out the other three parties with a minority vote.

'If we give the dogs the vote Fen, then what's to stop one of them from running for parliament, or something,' queried one member of the audience.

'So what', replied another. 'we're planning on sending Fen there, ain't we?'

By the weekend, Mr. Finch, whose campaign slogan is 'WE NEED ME', had added a number of planks to his campaign platform.

To combat inflation and unemployment he counselled 'let's get back to basics... I'm for legalizin' moonshining and licensing streakers.' 'And another thing', he continued. 'The guvmint should do away with money altogether and just give us credit cards, on them of course'.

Biggest surprise of the campaign was the appearance of Mrs. Finch who popped up unexpectedly at a Ladies Aid rally in Howland Jct. with the comment 'found you at last, you rotten little weasel'.

Asked to comment on Mr. Finch as a husband she accused him of being an 'insatiable womanizer', but her eyes twinkled as she said it. Meanwhile, from Irondale, Mrs. Grace Simmonds has announced that she will be Mr. Finch's campaign manager. One of her first jobs she explained is to determine how many bumper stickers will be needed for the campaign. 'I've got Fen out right now', she said, 'counting up the number of cars in Howland Jct. that have bumpers'.

Forest fires

OTTAWA - Despite a wet spring, 337 forest fires were recorded in April by the Canadian Forestry Service in its first report of the 1974 fire season. The fires affected some 3,000 acres of the country's forest land.

The number was, however, less than half that for the corresponding period last year (694) and the acreage affected was less than one-third last year's (10,000 acres).

These statistics are compiled monthly by the Fire Research Institute of the Canadian Forestry Service.

ABOUT THE TOWN

with Jeanne Sears

Congratulations to Sharon Miscio of Haliburton who won the Jackpot of \$250 in 57 numbers called at last Thursday's Rotary Bingo.

There was a large crowd at the Garden Party at St. Paul's Parish which had been taken to the Parish Hall because of rain. Everyone enjoyed the delicious lunch and the entertainment by the Kellett Group, The Barnhart Girls and the Klmsmens' Choir.

In reply to several inquiries, Red Cross Swim Registration will be at the Minden Dock on Sat. June 29 from 10-12 and 2-4 in the afternoon.

Be sure and check the new bus schedule, the buses leave early in the morning as they once did, Monday through Friday. Then they also have a new idea, 'Take a Friend' --one passenger pays and your friend goes free, but only on Tuesdays and Wednesdays.

What happened to our photo? We didn't have a black eye. One a number of years ago we did have one, but got that when chopping wood for a fire. Remember when you had to have kindling?

This is Senior Citizens' Week--a good time to visit or call all these people. But more important keep in touch with them the other fifty-one weeks of the year.

Mr. and Mrs. Bob Normile of Napanee visited their relatives in the area over the weekend.

If you have been in the sun a bit too long, fill a bathtub with tepid (warm) water with a medium sized package of cornstarch in this. A half hour soaking will cool you off and perhaps save you from illness. Graduate your time in the sun and get a good tan.

Barbara and Bob Davidson and family of Ottawa visited his parents Mr. and Mrs. George Davidson over the weekend.

Sunday was a Special Day at St. Paul's Parish with guest Archbishop Scott. The morning service was followed by a luncheon. Then with music supplied by the Haliburton County Centennial Choir under Bill Gliddon and the Haliburton Legion Pipe Band an impressive service followed. Greetings were brought by Reginald Booth, Reeve, Murray Fearrey, Warden, Glen Hodgson, M.P.P., William Scott, M.P. and Norman Maidens (Mr. History). Professor William Ormsby, of Archaeological and Historical Sites Branch, gave some interesting facts about how Historic Plaques are set up. Then Archbishop Scott unveiled the Historic Plaque on the lawn, honouring St. Paul's in its 100th year. This Church is designed in the Gothic Style and has remained the same until 1947 when the Tower and Parish Hall were added. Now we have two Historic Sites, this one, and the one on the Clergy House lawn.

Last Wednesday was again Haliburton County Library Workshop at the County Office with all librarians and staff present. There were discussions and questions were answered with Heather Gardiner in charge. Several special events are coming up this summer with more details later. Dates were given for Book Exchanges late in July.

Mrs. Dick Gourd of Beaverton visited with friends in the Village last weekend. Sincere sympathy to the family and friends of the late John H. Harrison whose funeral was last week.

The old, stone school house (S.S. # 1, Lutterworth) on Green Gables Road at Moore's Falls is to be opened as an Art Gallery and Craft Co-operative. The school is on the property owned by Bill and Edith Sanders and is ideally located for this new venture. Mrs. Sanders has been associated with arts and crafts for many years. During the past year or so she has been the instructor for the 'New Horizons' program held in the Coboconk Centre. The gallery will be open to the public during the last week of June, and will feature several artists' work, during the summer months as well as handcrafted items by several skilled craftsmen. Local crafts people with good quality items are invited to call 454-8059.

Miss Islay Sears was the recipient of a Wedding Shower Saturday night at the Joe Warburtons. After opening the gifts she thanked everyone and Gary Warburton entertained by showing home movies. A delicious lunch and cup of tea served by the hostess brought the evening to a close.

Sorry to report that Miss Jane Whistle is a patient in the local hospital; Holly Stevens was moved to Haliburton Hospital where he can get therapy. Mrs. Grant Hewitt has returned home after some time in Toronto General Hospital.

Mr. and Mrs. Ray Rivers and Trevor spent the weekend with her parents, Mr. and Mrs. Arnold Coulter.

Has been rather rainy the past week, the grass grows and it is difficult to find a time to cut it. Be careful on the roads and on the lakes and rivers.

Cheerio until next week.

Sports Winners

Top sports awards winners for the year at Halliburton Highlands Secondary School include (top-left) girls top athlete Marg Darby, boys top athlete Kirk Hewitt and Girls Athletic Assoc. winner Marg Ackerblade; (centre-left) track and field winners Roy Boughner (Sr.), Jackie Gough (Midget), Kirk Coneybeare (Midget), Cindy McCallum (Sr.) and Paul Fleming (Sr.); (bottom-left) track and field runners-up for top athlete, Roy Boughner (Sr.), Paul Fleming (Sr.), Wendy Gough (Sr.), Kirk Hewitt (Sr.), Marg Darby (Sr. Girls) and Joe Roberts and Dale LaPorte, tied for midget; (immediately above) Kirk Hewitt (Sr.) and Jerry Harrison (Sr.). Most Valuable Basketball Players: (above-top) 'Animal Award' winner Blake LaPorte demonstrates to Wendy Gough the defensive tactics that won him the award.

Rules of the Road

Water Safety

Rules of the Road and Rights of Way for ships have been established over the centuries as a practical and effective means of preventing collision at sea. These same time honored customs are incorporated in the Canadian Regulations for pleasure boats. When approaching another pleasure boat, keep to the right and pass port to port. The boat you are overtaking has the right of way but you

may pass on either the right or left side. The boat approaching on your right or starboard bow has the right of way and you are required to stop or turn so that she may proceed on her course. Sailing craft when under sail have the right of way over powered boats except when overtaking a power boat. All hand propelled boats such as canoes and row boats have the right of way over powered boats. Aircraft have

the right of way over all pleasure boats when landing or taking off from the water. Pleasure craft should also give way to large commercial vessels in confined waters where they are unable to stop or turn quickly because of their size. In addition to the above rules of navigation, the Ontario Safety League advises courtesy afloat. It will help to make your boating more pleasurable and safer.

Guide news

May 29th was the scene of the first Woodland division dinner hosted by Highland District Commissioner, Mrs. R. Freeman at South Lake Lodge. Present were the following special guests: Mrs. Joan Hawes, Division Com., Mrs. Nell Snelders, Dep. Division Com., Reg Booth, Reeve of Anson, Hindon and Minden, Mr. Larry McKnight, Pres. Minden Kinsmen Club, Mr. Doug Campbell, Pres. Rotary Club of Minden, Mr. Joe Dollo, Rotary Club, Judy Dixon, Camp Adviser and Mrs. B. Willmick, International Guider.

Approx. 100 guiders from as far away as Newcastle, Bowmanville enjoyed a delicious buffet. Mrs. Hawes made a short speech and presented many awards including the following to guiders of our own Highland District: Mrs. E. Freeman and Mrs. Alice Chambers both received their 10-year pins, Mrs. Angle McCloskey and Mrs. Kathy Wrightman both received their Waterfront Badges. Mr. Booth gave a speech commending the guiders on their service to their communities. In particular Mr. Booth commended Mrs. Fr-

ee-man for her efforts in promoting guiding in our district. Mr. McKnight, Kinsmen Club and Mr. Doug Campbell, Rotary Club, were each thanked in turn for the financial support provided by their respective service clubs to organize and promote Guiding in this district. Special thanks to Mr. Joe Dollo for the photos he so kindly took during the dinner. Miss Mary Freeman, 2nd, Minden Brownie Pack, entertained with the song 'Me and My Dinosaur'. She was joined by the Guiders during the last verse. Our first Division dinner was a success!

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

One look at Jim's freckles tells you he is an outdoor boy. At 11, Jim would spend all his time outdoors if he could. In his farm foster home he enjoys gardening and is interested in all the animals. He would like to be adopted by a farm family if possible.

Jim enjoys camping and is keen on sports. He plays hockey, football, baseball and is fond of skating and hiking.

Anglo-Saxon in descent, Jim is healthy and slightly built with brown eyes, dark hair and fair skin. He wears glasses for near sightedness. He is friendly and outgoing, meeting new people with polite poise.

Jim has had some school problems because of early deprivation and because he has a perceptual handicap. He is in junior opportunity class. Jim is very responsive to people who are interested in him and does better at everything he attempts when some involved, encouraging adult is around. It is likely he will be helped by parents taking a genuine interest in him.

Jim belongs to Scouts and joins all group activities with zest. In fact, he enjoys just about everything — movies, Sunday School, playing with cars, listening to stories.

Jim needs parents who will appreciate his pleasant, outgoing, co-operative personality and who will be encouraging but not demanding about academic achievement. Since he likes and is accustomed to children, it will be best if there are brothers and sisters in his adoption home.

To inquire about adopting Jim, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.

AN OUTDOOR BOY

'TODAY'S CHILD'

10th anniversary this month.

by Leslie K. Tarr
Helen Allen's task that was intended in 1964 to be "a couple of hours a day" side-line has become a lifetime passion.

"I can't imagine another newspaper feature that has altered for the better so many human lives," says Andrew MacFarlane, dean of the faculty of journalism at the University of Western Ontario.

Although she has lived most of her life in the Toronto area, Miss Allen was born in Dundurn, Sask., where her father was a Presbyterian minister. Two years after the birth of their only child, the family moved to Ontario.

From their home in Aurora, Helen proceeded to University College, at the University of Toronto with the dream of becoming a high school teacher. She joined the staff of Varsity, the university student paper, and dreams of teaching vanished.

"From my first day on Varsity, I could think of no other career but journalism," she recalls.

On graduation in 1929, she headed immediately to the staff of the Toronto Telegram and a variety of assignments.

"Nothing I have ever done has given me the satisfaction that I receive from Today's Child. I feel absolutely privileged to have a part in finding homes for those wonderful children."

Asked about her method of preparing columns, Miss Allen makes it sound simple. "I try very hard to tell the story so that the child will emerge as an individual."

The individualism shines through. One day three children appeared at the front desk of the paper. Their mother had written to apply for a specific child described in Today's Child. Their hopes raised to the breaking point, the children had come to see their new

brother. "Where do you keep the babies?" they asked a baffled receptionist.

No Children's Aid Society is more concerned than Helen Allen is to protect the child. "I could never forgive myself," she says with deep conviction, "if something I wrote wounded a child who has probably already had more than his share of knocks."

She's equally persuaded that the child should be honestly described.

"I don't feel it is discriminating to mention a child's racial origin or mental ability. People say that a child shouldn't be labelled, but in the early days of Today's Child our descriptions weren't extensive or honest enough."

"In one instance, 40 to 50 families applied to adopt an attractive looking 8-year-old boy, but all fell by the wayside when they learned he was a slow learner."

"I feel it is better to tell what a child is like at the beginning. Then prospective parents are much more likely to follow through."

The value of the column has been recognized by other Canadian provinces and U.S. states which have adopted the concept and initiated similar columns.

Success has added new responsibilities. First there was the inauguration of a TV program, Family Finder. The station, CFTO in Toronto, insisted that Helen Allen must be the commentator-hostess on the weekly half-hour features which spotlight in person children available for adoption.

From a one channel presentation in 1969 it is now shown on 13 Ontario TV stations.

Public honors have come her way in recognition of her labor of love. Ten months after inauguration of the column, Premier John Robarts presented an Ontario Government Special Citation to her. In 1968, the

provincial government appointed her to the advisory committee on adoption and foster care.

The Canadian Government recognized her contribution in 1971 when she was awarded the medal of Service of the Order of Canada.

The recognition which she covets more than public honors is the type that

periodically come from grateful children who have found a home.

One mother packaged up a poster designed by her "son of choice." Adorned with finger-painted, smiling members of a family, it bore the simple heart-tugging caption: "Happiness is having a brother, sister, mother, father and a bike."

Fitness. In your heart you know it's right.

OPP reminder

Commissioner H.H. Graham reminds the cyclist that he is operating a vehicle and he has to conform to the same 'Rules of the Road' as the car driver.

As with a car, your bicycle must be in good working order and you must know your bicycle safety rules. So, parents -- before your youngsters get their bikes out of the basement, check them over and satisfy yourself that they're properly equipped and in good condition.

Make sure that the children know their safety rules -- perhaps you could even give them a cycling test. If you are not sure of the rules, your local OPP Detachment will be only too pleased to help you.

And cyclists, know how your bike works -- remember it needs regular maintenance, the same as a car.

At this time of year, motorists should be particularly watchful for the inexperienced cyclist. Young children especially pre-schoolers, can be totally unpredictable -- keep an eye out for them, and always expect the unexpected.

CANADA WEEK

PROCLAMATION

TO HONOUR CANADA, OUR LAND CREATED BY THE FUSION OF TWO FOUNDING CULTURES, ENRICHED BY THE CONTRIBUTION OF MANY OTHER CULTURES, FATHERLAND OF ALL CANADIANS;

TO HONOUR THIS COUNTRY, HOME OF OVER 22,000,000 PEOPLE, PROUD OF THEIR HERITAGE AND THE FREEDOM THEY ENJOY;

TO HONOUR THIS LAND OF PEACE AND PROSPERITY, THIS PROMISED LAND OF UNTOLD RESOURCES;

TO HONOUR THIS COUNTRY WHICH IS OURS, OF WHICH WE ALL ARE PROUD, I HEREBY PROCLAIM THE WEEK OF

JUNE 24 TO JULY 1

" CANADA WEEK "

THUS I INVITE THE CITIZENS OF HALIBURTON COUNTY TO CELEBRATE IT BY STRIVING TO KNOW OUR COUNTRY BETTER, BY FLYING OUR FLAG AND DISPLAYING OUR SYMBOLS.

Murray Fearrey, Warden

Provisional County of Haliburton

Egg Lima Bean Salad

- 1 (19-ounce) can lima beans
- 2 tablespoons grated onion
- 1/3 cup chopped gherkins or other chopped sweet cucumber pickle
- 4 hard-cooked eggs
- 1/2 cup chopped celery
- 2 tablespoons salad dressing or mayonnaise
- 2 tablespoons ketchup
- salt and pepper to taste
- lettuce cups

Drain beans and add onion, pickle, 2 of the hard-cooked eggs, coarsely chopped, and celery. Combine salad dressing and ketchup and add to bean mixture, toss lightly to blend but not mash. If moister salad is desired add additional dressing and ketchup in equal proportion. Chill until serving time, then pile on lettuce leaves and garnish with remaining hard-cooked eggs sliced or cut into quarters.

Yields 4 servings.

Variation: add 1/4 cup chopped canned pimiento or fresh, sweet red pepper.

Allow 1 extra whole egg per serving. Cut eggs in half, remove yolks and blend with salad dressing, salt and dash of garlic powder to taste. Pile lightly back into egg whites, sprinkle with paprika and use to garnish salad.

MUNICIPALITY OF THE TOWNSHIP OF LUTTERWORTH NOTICE

ACCORDING TO THE TERMS OF BY-LAW NUMBER 6-67, AS AMENDED, A BUILDING PERMIT MUST BE OBTAINED IN ORDER TO ERECT A BUILDING. A PERMIT MUST ALSO BE OBTAINED TO MOVE A BUILDING OR TRAILER ONTO A LOT, OR TO DEMOLISH OR REMOVE A BUILDING OR TRAILER FROM A LOT.

BIOLOGIST: Dr. John Baust experiments with an insect inside his mobile laboratory at the university.

The Beetle That May Save Lives

... Tiny Bug That Freezes in Winter Could Hold Secret of Preserving Human Organs for Transplant

A bug which freezes solid in winter and comes to life again in the spring thaw may hold the secret of how to successfully freeze human organs for later transplant.

"Lifesaving transplants of human organs involve many problems," said Dr. John Baust, biology professor at New York State University College at Geneseo, N.Y.

"Attempts to put the donated organs in cold storage, until they are needed, have failed. For freezing has the same effect on human tissue as it does on fresh lettuce . . . cell tissue wilts, breaks down and dies.

"Yet the carabid beetle can survive the long Alaskan winter in suspended animation,

frozen solid in a tree stump or log, and its cells are no different from those of humans.

"The reason the beetle's cells can survive freezing while yours and mine cannot is that the carabid produces glycerol, an antifreeze. But glycerol is highly poisonous to human tissue in the 30-40 percent concentration we find in the beetle's cells," he said.

Dr. Baust, 31, is trying to determine in laboratory experiments

now the beetle's cells can tolerate the toxic effect of glycerol.

If he is successful, the answers could be the first step in creating a ready supply of spare human parts — freeze-preserved in perfect condition.

Close-up of carabid beetle.

Fitness. In your heart you know it's right.

Read that Label!

Care labelling is now a fact of life for most of us. A very little time spent in mastering the code of basic symbols on the labels in garments can pay dividends in longer wearing and better looking clothes and linens.

It can also go a long way toward making washday easier for you. Manufacturers are very responsible about labelling garments today and these instructions are designed specifically for the fabrics which carry them.

The code is really extremely simple, although the symbols may at first seem somewhat complicated and confusing. First thing to learn is the significance of the colours of the symbols - they work just like traffic signals. Red means "do not"; orange means "go ahead but carefully"; green means "go on".

Each step in the laundry process has been assigned a stylized symbol.

Washing - a U-shaped symbol representing a washing tub. Usually has a figure inside to indicate the best temperature of water for the fabric.

Bleaching - a triangle with Cl written inside. You will very often see this symbol with a large X through it. This means that under no circumstances should you use chlorine bleach on this fabric as it may cause permanent damage. The "no chlorine bleach" symbol will be seen most often on synthetic and permanent press fabrics. The best product to use for these fabrics is a borax-based bleach substitute, such as Borateem-Plus, which is safe for all fabrics and will still do the clean-up job of a bleach.

Drying - Drying is symbolized by a square. Dryer temperatures can usually be varied at least between "hot" and "delicate" settings. The latter should be used for nylon, rayon, antron and other lightweight fabrics. If a "permanent press" cycle is available, use it for your permanent press laundry as it provides a cool tumble at the end of the cycle. This helps to keep out the wrinkles and ensure that permanent press does not need the "touch-up" ironing where you finish up by ironing everything.

Ironing - An outline iron usually contains the appropriate temperature for ironing if you must. But remember that careful treatment during laundering often means no ironing needed at all. Sheets and pillowcases folded and smoothed while still very slightly damp and warm from the dryer look as good as if ironed. (Be sure to store them in a warm linen closet or you can get mildew.)

Dry Cleaning - The special symbol for dry cleaning is a circle.

If after you have followed the instructions and something happens to whatever you washed, do complain to the store and the manufacturer. And if all else has failed complain to your local consumer consultant.

It may or may not get your money back, but it will certainly stop the same thing from happening to someone else.

For a free leaflet on laundry, or if you have a washing problem, write to: The Washday Advice Bureau, 1500 Bloor Street West, Ste. 1100, Toronto, Ontario M5S 1S8.
